WARRANTY/SUPPORT.

Quaduro Systems offer a 2 Years warranty on all Quadpad products, which are designed with your convenience, timeliness, and business continuity in mind. In the unlikely event that you have a need for warranty repairs, a specially designed local support structure is set in place to ensure minimum downtime of your Quadpad tool.

ONLINE SUPPORT

Technical support is available electronically on Quaduro's website. Included are answers to many commonly asked technical questions plus most of easily downloadable software drivers.

QUADURO REPAIR CENTRE.

If your Quadpad Tablet PC requires warranty hardware repair, you may use the UK based Quaduro Repair centre option. Please call Quaduro Support or contact support via the Quaduro Website. The Global Support Center will assist you with troubleshooting over the phone. If it's confirmed that there is a hardware failure, you will receive a Case Number for tracking your unit through the repair process. Upon receipt of your portable computer at the Depot, specialist staff will make reasonable efforts to complete the repair and ship your repaired product back to you within three (3) business days.
